

General Data Protection Regulation (GDPR)

ADDITYS SRL is committed to respecting your privacy.

The data collected by the company during our exchanges are necessary for the processing of your inquiries or your orders and allow us to ensure an adequate service to the customer. They are used by the company for internal use and are only transmitted to external service providers or trusted partners used by ADDITYS in the context of its legal or contractual obligations, or for achieving its business purpose.

In any case, the data collected are treated in a strictly confidential manner and are never transferred nor sold to third parties.

In accordance with the law, you have the right to access, rectify or delete your personal data at any time.

To exercise this right, simply contact us either by e-mail, at rgpd@addity.com, or by mail at the following address:
